Aon Solutions UK Limited (and, where appointed, the Scheme Actuary - together "Aon") has been appointed to provide pensions advisory and calculation services that relate to your membership of the pension scheme. In doing so Aon will use personal information about you, such as your name and contact details, information about your pension contributions, age of retirement, and in some limited circumstances information about your health (where this impacts your retirement age) in order to be able to provide these services. The purposes for which we use personal information will include management of the pension scheme and your membership within it, funding the pension scheme (i.e. helping to ensure that the funds within the pension scheme are sufficient to cover the members who are party to it), liability management (that is to say providing advice on the different ways benefits could be determined, and drawn, from the pension scheme), scheme actuary duties (which include assessing individuals who are members of the pension scheme and assessing how the make-up of the membership may affect the amounts payable and when they become payable so as to manage the pension scheme appropriately), regulatory compliance, process and service improvement and benchmarking.

We may pass your personal information to third parties such as financial advisors and benefits providers, insurers, our affiliates and service providers and to certain regulatory bodies where legally required to do so. Depending on the circumstances, this may involve a transfer of data outside the UK and the European Economic Area to countries that have less robust data protection laws. Any such transfer will be made with appropriate safeguards in place.
